Subject: Approval of Reclamation Surety, Reclamation Contract, and Acreage Amendment;
Robert Clark; Clark 1 Emeride Mine; S0150053; Task 1750; Emery County, Utah

Dear Mr. Clark:

On March 23, 2007, the Division received an amendment to your Notice of Intention to Commence Small Mining Operations (NOI) changing the acreage from approximately 2.0 to 0.5 acres. The Division approves this change, and a stamped copy of the modified page is enclosed.

On July 9, 2007, the Director of the Division of Oil, Gas and Mining signed the reclamation contract for the Clark 1 Emeride Mine NOI, file number S0150053. The surety amount, \$5400.00, is based on the actual disturbed area of about 0.5 acres.

You now have Division approval of the form and amount of surety for the above referenced site. A copy of the executed reclamation contract/surety is enclosed for your records.

If you have questions or concerns regarding this letter, please contact me at (801) 538-5325 or Paul Baker at 538-5261. Thank you for your help in completing this very important regulatory requirement.

Sincerely,
